

First, map the journey.

Tool 1 asks what a person uses at each step. You can only answer that once you know the steps. So write them down first.

ALREADY HAVE ONE?

Use your journey map or service blueprint. Need a refresher?

Experience Map & Blueprint · Nesta DIY Toolkit

NEW TO THIS?

Use the Journey Strip below. For each step, write **where** they are and **what or who** they use. Nothing else.

Journey Strip · Meera

EXAMPLE

STEP	1 Sees the notice	2 Opens the portal	3 Makes the PDF	4 Gets the certificate	5 Enters the OTP	6 Uploads
WHERE	Hostel	Hostel room	Cybercafé	Home village	Hostel	Hostel
USES · WHO HELPS	Class WhatsApp, her phone	Phone, hostel Wi-Fi	₹50, the owner	Father, Tehsildar office	Father's phone	Data pack

Every item in the bottom row becomes something you place on the Loop in Tool 1.

Journey Strip · your person
